

INSTRUMENTATION

Armored Sight Glass

- Cost saving
- Stock/inventory
- Quick delivery

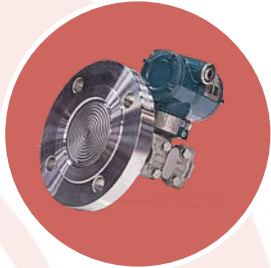

Magnetic Level Gauge

- Lifetime warranty
- Titanium floats as standard
- Float failure indication as standard
- Full bore, full penetration welding
- ASME Approved
- CRN Approved
- **Cost – 20% saving**

Radar Transmitters

- Made in France
- FM/CSA Approvals
- ATEX Certified
- **Cost – 15% saving**

Remote Seals

- Badotherm Joint Venture
- PAMs
 - Honeywell
 - Yokogawa
 - Emerson - PTH
- **Low temp fill fluid (LNG)**
 - BSO-47 (-220°F/-140°C)
 - BSO-01 (-175°F/-115°C)
- Gold-Coated Seals (Hydrogen Service)
- High Temperature Diaphragm Seals (1100°F)
- PTH Seals
- Low Gauge Pressure Seals (5mbar)
- Zirconium Seals (Urea/Ammonia)
- **Cost – 30% saving**

Sight Flow Indicators

- Cost effective
- Exotic castings
- Stock/inventory

Magnetostrictive Level Transmitter

- SIL2 Certification
- Stainless steel housing available
- 99.9% accurate
- 3-in-1 measurement
- No scheduled maintenance or recalibration required

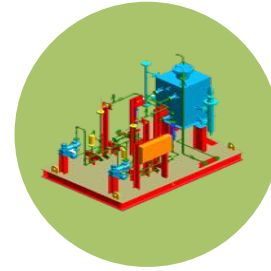

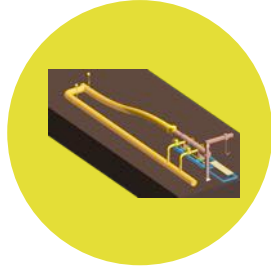

USA | CANADA | SOUTH AMERICA | MIDDLE EAST | SAUDI ARABIA | ASIA

Engineered Modules

- Chemical Injection Skids
- Custody Transfer & Metering
- Transfer Pump
- Pig Launchers & Receivers

Upstream Packages

- 2 and 3-Phase Separation-Filtration
- Chemical Injection & Dosing Skid
- Flow Metering
- Gas Conditioning

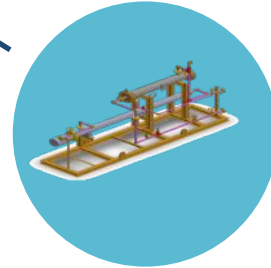

Midstream Packages

- Filter Separator
- Coalscing & Filtering
- Chemical Dosing Skid
- Custody Transfer Metering Skid
- Surge Relief System
- Pig Launcher & Receiver
-

ENERGY EQUIPMENT

Downstream Packages

- Filtration-Separation
- Chemical Dosing Skid
- Flow Measuring
- Bulk Terminal Equipment

Turnkey Solutions

- Product Loading/Unloading Terminals
- Topping Units
- Hydrocarbon Storage Tanks
- Hydrotreating & Reforming Units

Process-Based Modules

- Filter Separation
- Indirect Water Bath Heater
- Heater Treater
- Surge Relief Systems
- De-Emulsifier
- Gas Conditioning
- Gas Dehydration
- Hydrogen Recovery
